Get a Senegal Parrot. Senegal parrots are the most popular *Poicephalus* species and are available at large pet stores, at avian-retail stores, from bird breeders, as well as for adoption from avian-rescue organizations. Senegal parrots are not sexually dimorphic; however, some aviculturists say that females tend to have a longer V-shape on the chest.

Senegal Parrot Personality, Food & Care - Pet Birds by ...

Senegal Parrot As A Pet. They love to play and crave to be out of their cage from time to time. Some of these birds as pets may resort to biting when they are upset or frustrated. Senegal Parrots are generally one-person birds, and are usually very affectionate and love to cuddle.

About Senegal Parrot: Training, Temperament & Characteristics

The Senegal parrot is a somewhat unusual bird for a parrot, which as a group can be noisy, demanding, high-maintenance pets. The Senegal, though, is remarkably quiet and calm. It is also less expensive than most parrots and is more widely available in ordinary pet stores than most tropical birds. All this, combined with its easy-to-manage size, makes the Senegal parrot a very popular pet.
